➤ Tuition and Payment

Tuition may be paid via check, Apple Pay, Venmo, Zelle, or PayPal.

During the academic year (September 1st to May 31st)

It will be a flat rate tuition (the same amount of tuition every month)

- 30min: \$222 per month (\$55 per lesson)
- 40min: \$291 per month (\$72 per lesson)

The rate is calculated based on the average number of weeks per month and all the holidays (**18 days**) are excluded from the tuition. Therefore, there will be **NO make-up lessons** provided for those holidays.

Summer time (June 1st to August 31st)

It will be a flexible rate tuition. You will receive an invoice each month based on the number of lessons you take that month. (\$55 per 30 min lesson and \$72 per 40 min lesson)

➤ Parent Involvement

A parent is strongly encouraged to sit-in the kid's lesson each week. The teacher will provide a lesson with detailed instruction to both student and parent and provide a guide for a parent to help the child's home practice.

➤ Cancellation and Make up policy

- For any cancellations, the student has to notify the teacher **24 hours in advance**.
- The lesson fee will be charged if the 24-hour advance notice is not given.
- There will be **NO make-up lessons** provided for those holidays. (See "Tuition and Payment" above)

➤ Withdrawal Policy

I understand that every student stops taking piano lessons at some point for various reasons. Regardless of the reasons for withdrawing, students and parents are encouraged to discuss the situation with the teacher before making a withdrawal decision.
